# Key Memories Photography

## **Key Memories Photography Contract**

Each type of session must be booked separately and is subject to its outlined fee unless other arrangements have been made. If multiple people/families take part in the same session, one session fee will apply, however time and number of image restraints will also be limited to that of the one booked session.

All digital images will come with a print and share release form which allows you to print the images how you would like (any size and any number of prints) and share them via social media, **with photographer credit**. The photographer (Holly Key) reserves all usage rights to the images in all forms aside from those granted within this print and share release.

Digital images will be delivered via Google Photos, and **you will have 14 days from the date of delivery to download them before they will be deleted from Google Photos**. If you are unable to use Google Photos, another option for photo delivery can be discussed. **Full payment and a signed contract are due at the time of your session and are required before receiving any images**. Payment can be made with cash or check. **Bounced checks will be subject to a bounced check fee plus the amount of the check**.

*\*Locations more than 30 miles outside of the photographer's working area are subject to an additional fee. Locations that require a permit/fee to photograph in will be subject to an additional fee equal to the cost of obtaining the permit/the cost of the fee. However, there are many nice places that do not require a photography permit, and I will be happy to discuss these options with you.*

Key Memories Photography and Holly Key reserve the right to refuse service to or terminate service to anyone at any time for any reason specified or unspecified.

I, \_\_\_\_\_, signing on behalf of myself and (with their permission) all members of my group present at the session and/or at any other time when doing business with Holly Key and Key Memories Photography (whether being photographed or not) release and hold blameless Holly Key and anyone associated with Holly Key or Key Memories Photography from any and all liability related to any harm, damage, illness, death, or injury to any person(s), animal(s), or property during any time that we are working with Holly Key and/or Key Memories Photography whether in person, remotely, directly, or indirectly.

I \_\_\_\_\_, hereby agree to all the terms of (on all three pages) and sign this contract without dispute on behalf of myself and (with their permission) all other people or animals associated with me at any time when doing business with Holly Key or Key Memories Photography, directly or indirectly, whom may or may not be photographed.
